

IPHONE REPAIR COURSE

BASIC TO ADVANCE LEVEL TRAINING PROGRAM | DESIGNED BY MPRTS

OBJECTIVE

The objective of the course is to provide the requisite skills and knowledge to enable the student to get into a wide variety of jobs in the mobile phone industry or to start a mobile phone repair outlet.

SKILLS

Our training in mobile phone repairing is skill-oriented training. The classroom training also provides hands on practice. The right infrastructure is required to ensure that the students develop required skills.

PRE-REQUISITES

No previous experience required.

COURSE DURATION

ONE DAY • SATURDAY • 11AM TO 4PM

This training program required 3-5 hours to complete.

Evening and week end classes can be delivered in a structured format in order to suit the needs of learners with busy lives.
